

eXample Consulting Group launches Facilitated Learning Programs in Strategy and Process Excellence

eXample Consulting Group is pleased to announce the launch of **LIVE ONLINE TRAINER led VIRTUAL PRIVATE CLASSROOM FACILITATED LEARNING (F-Learning)** courses for **Strategy and Process Excellence**

The first course to be launched is "Lean Six Sigma Green Belt Certification"

This course blends both **Lean + Six Sigma curriculum** coverage and is open to professionals, students and aspirants who wish to learn and acquire Six Sigma competency and certification for delivering breakthrough improvements in the organization and achieve accelerated career growth.

Enrollment Eligibility: Graduate (UG/PG) qualification, with / without work experience.

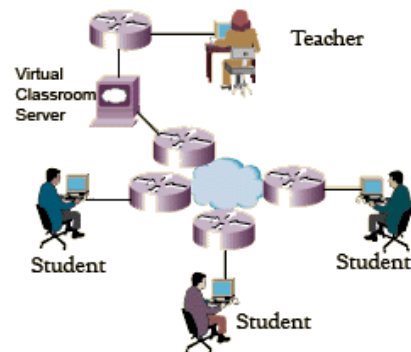

The Live Online F-Learning programs are open to group of **6 (min) to 8 (max)** participants. Members of the same organization (or) well acquainted friends / contacts / colleagues (from across the globe!!) can form a batch and enroll for the "Virtual Private classroom" F-Learning program.

The unique features of this course are:

- The program is conducted **fully ONLINE with LIVE trainer** for batch of 6-8 people.

'eXampleCG' program is **TRULY LIVE and ONLINE with a LIVE TRAINER** leading the session discussions, participants interacting and discussing LIVE. eXampleCG also provides post program help and assistance FREE of charge (which no other Online program ever do!!)

- The participation and course completion certificate is issued eXample USA (at NO extra cost!!). (This feature is exclusively offered ONLY for the F-Learning programs). Participants can earn **32 PDUs** from this program that can be used for re-certification to PMP/CSCP/CPIM/CFPIM/CSQA and other certifications.
- The sessions are flexibly conducted 1 / 2 / 3 hours per day spread over multiple weeks entirely based on **convenient time preferences** of the enrolled batch

- The participants need to have a Laptop / Desktop with steady broadband connection, Adobe PDF reader, Microsoft Excel 2003 or 2007 and Winzip installed with mike/speaker/headset to join the session (from anywhere in the world).

Got PDU's

Alternately participants can join via "audio conference" from anywhere in the world and via local conferencing numbers at major Indian cities (Chennai, Mumbai, Delhi, Bangalore, Kolkata and Hyderabad)

- Program attendance will be tracked. Being a certification program, 100% attendance is mandatory in order to be eligible to take the exam thereafter

- The **exam is conducted online** (electronic) after conclusion of the training (one week from session conclusion)

- The **softcopy of the training material, templates, tools and utilities, excellent articles and E-Books** shall be provided to the enrolled batch of participants via download facility

- The session will be held in a highly interactive manner (like face to face classroom environment) with video/audio, text chat, discussions, illustrations, case study, group discussions, mock questions, homework/assignments/puzzles to impart in-depth and rich learning to the participants

You are invited to form a batch (6 to 8 members) and enroll for the session and benefit from eXampleCG's world class, immensely practical and superior value Lean Six Sigma training and certification programs.
