

eXample Consulting Group celebrates PLATINUM JUBILEE of  
LEAN SIX SIGMA and BALANCED SCORECARD public programs

eXample Consulting Group (India's #1 LEAN SIX SIGMA and BALANCED SCORECARD consulting, training and certification services firm) is pleased to announce "PLATINUM JUBILEE" of immensely practical LEAN SIX SIGMA and BALANCED SCORECARD public training and certification programs in the Indian market with the completion of 75+ PUBLIC PROGRAMS, ACROSS INDIA, ALL 100% ON SCHEDULE in JUST 3 YEARS!!

In the course of this excellence journey, eXample Consulting group successfully hosted and delivered LEAN SIX SIGMA GREEN BELT and BLACK BELT and BALANCED SCORECARD public training and certification programs country wide at Bangalore, Chennai, Delhi, Gurgaon, Hyderabad, Kolkata, Mumbai and Pune cities.

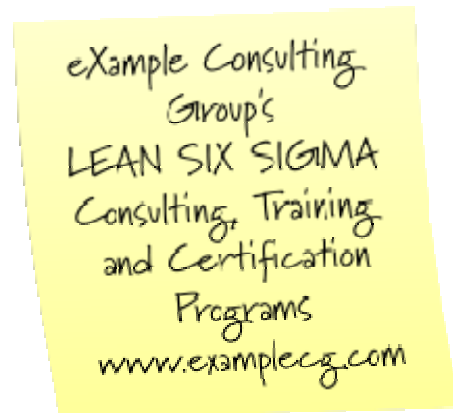

eXample Consulting set excellence standards and introduced "first in the industry" innovations in the Public Training segment in India such as being the FIRST and ONLY company NEVER to cancel, postpone or reschedule programs and conduct all our programs 100% EXACTLY as SCHEDULED, provide LAPTOP facility to participants, use case study based approach to impart effective learning, offer integrated LEAN SIX SIGMA BLACK BELT programs, a convenient online portal for NRI and International citizens to enroll with Credit Card, offer INTERNATIONAL certification from eXample USA and much more...

The distribution of public workshops conducted India wide is given below  
Bangalore (23), Chennai (20), Mumbai (13), Delhi / NCR (13), Pune (3), Hyderabad (3), Kolkata (2) totaling up to 77 programs (100% CONDUCTED as SCHEDULED)

eXample Consulting Group ramped up the "Global Lean Six Sigma Excellence Forum" at <http://leansigmaforum.examplecg.com> (currently has a membership of close to 2000 professionals), the KAIZEN BANK and created "eXclusive" sub group for the benefit of its clients, participants, professionals, practitioners and the student community for life-long Lean Six Sigma guidance and support.

eXampleCG also took initiative to launch a new "Strategy and Analytics" online forum (FREE) at <http://strategyanalyticsforum.examplecg.com> to enable professionals interact and participate in discussions pertaining to "Strategic Performance Management and Predictive Analytics".

eXample Consulting group is immensely thankful to its clients, program participants and professionals for their continued patronage and partners, associates and organization team members for the valuable co-operation and support in making this achievement possible.
